RAINPROTECTION INSURANCE

WHERE YOUR EVENT GETS INSURED

Rainprotection is an Authorized Official for
International Conference on Machine Learning.

Exhibitor Liability Insurance

As a standard requirement for all of our show exhibitors, it is necessary for you to provide proof of general liability coverage from an insurance company in good standing with minimum policy limits of \$1,000,000 per occurrence and \$2,000,000 aggregate. Insurance coverage is not optional.

This insurance must be in force during the lease dates of the event, July 5-10, 2026, naming International Conference on Machine Learning (1269 Law St. San Diego, CA 92109) as the certificate holder. The following must be listed as additional insured: International Conference on Machine Learning (ICML) and COEX Convention & Exhibition Center.

If you do not have this coverage in place,
NeurIPS has made arrangements so that exhibitors can easily acquire this coverage
at significant savings from Rainprotection Insurance.
